

LEGAL NOTICE
SPECIAL EITHER-SEX MULE DEER MANAGEMENT HUNT IN PORTION
OF HUNTING DISTRICT 530

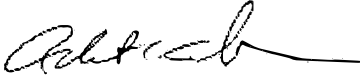

By order of the Montana Fish, & Wildlife Commission, portions of Hunting District 530 shall be open to **archery hunting only** for either-sex mule deer by resident and nonresident holders of special either-sex mule deer management hunt licenses. A management season hunt has been enacted for the area in and adjacent to the town of Roundup, Montana. The City of Roundup has requested either-sex mule deer licenses be made available up to two per hunter and valid from November 10, 2017 through February 15, 2018, to try and reduce the number of mule deer in and immediately adjacent to town.

For this management season hunt **archery** hunting is the only means of take due to safety concerns imposed by the proximity to residential areas and businesses. An additional 120 either-sex mule deer licenses (**Roundup Management Season License**) will be made available first-come first-served, limited to 2 per person. These licenses will be available Tuesday, October 17, 2017 through the ALS system. A current Conservation License and Bow & Arrow license is also required.

From November 10, 2017 through February 15, 2018 the only valid license for this hunt will be the 2017 Roundup Management Season License.

The hunt area extends approximately 1 mile west; 1 mile east; 1 mile north and 1 mile south of Roundup MT and is on property owned by the City of Roundup, Musselshell County, Irene Snortland and Green Oil Field Service. The hunt area is legally defined as portions of T8N R25E Sections 11-13, 24; T8N R26E Sections 18 and 19. **Hunters need to obtain permission to hunt at the Roundup City offices (406-323-2804) from 8AM-5PM Monday thru Friday.** The Roundup City offices are located at 34 3rd Ave West. Maps detailing the hunt area and rules will be available at the Roundup City offices.

Should you have any questions please call the Roundup City Offices at (406) 323-2804.
